## **II. Legal Basis**

FMCSA has authority under 49 U.S.C. 31136(e) and 31315(b) to grant exemptions from Federal Motor Carrier Safety Regulations (FMCSRs). FMCSA must publish a notice of each exemption request in the **Federal Register** (49 CFR 381.315(a)). The Agency must provide the public an opportunity to inspect the information relevant to

the application, including any safety analyses that have been conducted. The Agency must provide an opportunity for public comment on the request.

The Agency reviews safety analyses and public comments submitted and determines whether granting the exemption would likely achieve a level of safety equivalent to, or greater than, the level that would be achieved by the current regulation (49 CFR 381.305). The Agency must publish its decision in the **Federal Register** (49 CFR 381.315(b)) with the reasons for denying or granting the application and, if granted, the name of the person or class of persons receiving the exemption and the regulatory provision from which the exemption is granted. The notice must specify the effective period and explain the terms and conditions of the exemption. The exemption may be renewed (49 CFR 381.300(b)).

### **III. Applicant's Request**

SBTC seeks an exemption from "49 CFR 391.11(a) as it applies to 49 CFR 391.11(b)(2)" on behalf of "all motor carriers in NAICS category 484230 (Specialized Freight (except Used Goods) Trucking, Long-Distance) with revenues under \$30 million, which are defined as 'small businesses' by the Small Business Administration."

A copy of SBTC's application for exemption is available for review in the docket for this notice.

### **IV. Request for Comments**

In accordance with 49 U.S.C. 31315(b), FMCSA requests public comment from all interested persons on SBTC's application for an exemption from the requirement in 49 CFR 391.11(a) "as it relates to 49 CFR 391.11(b)(2)." All comments received before the close of business on the comment closing date indicated at the beginning of this notice will be considered and will be available for examination in the docket at the location listed under the Addresses section of this notice. Comments received after the comment closing date will be filed in the public docket and will be considered to the extent

practicable. In addition to late comments, FMCSA will also continue to file, in the public docket, relevant information that becomes available after the comment closing date. Interested persons should continue to examine the public docket for new material.
